### JOB POSTING: Summer Eco Crew Participants

Term: Full Time, Summer 2019

#### Description:

Langley Environmental Partners Society (LEPS) is a non-profit, partnership-driven organization formed in 1993 to protect and restore the natural environment through education, cooperation and action.

With support from the City of Langley, LEPS offers a summer employment initiative to engage local youth in restoration of natural areas and the public promotion of environmental stewardship and sustainability.

**The 2019 Summer Youth Employment Project** will inspire and empower student participants through hands-on involvement in environmental community service projects and employment skills development.

LEPS is currently seeking **two (2) post-secondary students** and **two (2) high school students** to participate in a full time environmental youth crew during the summer of 2019. The positions include working outdoors in environmental education, restoration and stewardship projects, and participation in employability skills training courses.

The project participants will work as a team and will be responsible for:

**Field Work-** undertaking habitat restoration projects such as invasive species mapping, invasive plant control, streamside and natural area cleanup, planting of native trees and shrubs; community garden maintenance; storm drain marking

**Public outreach** – conducting neighbourhood outreach to promote environmental messages; attending a variety of community events to promote environmental messages throughout the summer (includes weekends)

#### Post Secondary Student Qualifications:

- **Education:** Currently enrolled in an environmental degree or diploma program, or recently graduated and pursuing a career in the environmental sector
- **Available:** May 13 to August 30, 2019

#### High School Student Qualifications:

- **Education:** Currently enrolled in a Langley high school, in grade 10 or higher returning to school in the fall, or a recent grade 12 graduate, with interest in pursuing a career in the environmental sector
- **Available:** July 2 to August 30, 2019

#### Individual qualities:

- Excellent communicator with strong interpersonal skills
- Comfortable with physical outdoor work
- Interest and commitment to the environment and environmental stewardship
- Self-starter with the ability to work both independently and as part of a team
- **Priority will be given to students currently residing in the City of Langley. All applicants must reside in the City or Township of Langley. Applicants not currently living in Langley will not be considered.**

**Wage:** \$13.85 per hour/32 hours per week

**Application procedure:** Please send resume and cover letter to [conservation@leps.bc.ca](mailto:conservation@leps.bc.ca)

**Post-Secondary Student Deadline:** Application deadline for post-secondary students is April 19, 2019

**High School Student Deadline:** Application deadline for high school students is June 14, 2019
