

LANGLEY DEMONSTRATION GARDEN

6-10
YEARS

2022 ECO EXPLORERS KIDS' CAMP

WATERSHED WONDERS

July 5-7

Follow the story of the water, from mountains to sea. Do some water testing and experience a drought.

TREE HUGGERS

July 12-14

Meet a tree and learn about parts of a tree trunk. Make recycled paper!

POLLINATOR POWER

July 18-20

Discover the creatures that pollinate our plants. Meet a beekeeper and make a house for our friendly neighborhood pollinators.

TRASH TO TREASURE

July 26-28

No one likes garbage! Turn trash into art and learn about the wonders of waste reduction.

FEATHERED FRIENDS

August 2-4

Discover the wonderful world of wings – meet and greet some of Langley's feathered friends.

HABITAT HEROES

August 9-11

Scavenger hunts, detective work, and garden discoveries galore. Explore the amazing biodiversity found in Langley.
