Description:

Langley Environmental Partners Society (LEPS) is a non-profit organization formed in 1993 to protect and restore the natural environment through education, cooperation and action.

LEPS is seeking two (2) **Climate Action Outreach Coordinators** to work as a part of a team responsible for the delivery of a unique new door-to-door public outreach climate action program.

Key Responsibilities and Duties:

- **Public outreach** - conduct door-to-door landowner contact to educate residents on sustainable water and transportation practices
- **Attend community events** – promote climate action messages to the public by attending a variety of events throughout the summer (includes evenings and weekends.);
- **Presentations** – assist with the coordination of climate action workshops;
- **Research and Development**- investigate opportunities for future school and community outreach programming, including report writing.

Qualifications:

Education and experience: Enrolled in or recently graduated from an environmental degree or diploma program, with specific knowledge of Langley's water systems, transportation options, waste management and natural spaces. Knowledge and experience in local climate issues and confidence in public speaking.

Individual qualities:

- Excellent communicator with strong interpersonal skills and public speaking skills;
- Comfortable with public speaking, able to converse with residents about climate issues;
- Interest and commitment in environmental sustainability;
- Self-starter with the ability to work both independently and as part of a team;
- Flexible, with excellent organizational skills and attention to detail.

Criteria:

- Applicants must have a valid BC driver's license. The successful candidates will be required to submit a clean driving record.
- Must adhere to strict safety protocols to prevent the spread of communicable disease
- Mandatory vaccination requirement

Term: May 16 to September 2, 2022

Wage: \$19.00 per hour / 36 hours per week
